

New product catalogues for the year 2019 / 2020!

Dear customers,

...finally our new catalogues for the year 2019 – 2020 are available for you...

NEW 1 As an accredited proficiency testing provider acc. ISO/IEC 17043 we offer proficiency testing schemes at the highest level with a professional handling via our Online Portal (ODIN).

More than **500 accredited proficiency testing schemes** cover the different testing fields:

Food / Feed, Microbiology, Consumer goods / Packaging and material testing.

<http://www.drrr.de/en/accreditation/>

NEW 2 More than 50 new proficiency testing schemes in the field of **material testing**:

e. g. personal protective equipment (PPE), cellular plastics (foams), leather and metals

NEW 3 Many new proficiency testing schemes in the field of **microbiology** (e. g. drinking water and textiles) and in the field of **food and feed** (e. g. honey and beeswax).

We are also planning further developments in all fields - we will keep you up-to-date with our preannouncements.

Product catalogue **food and feed**:

- **Main parameter** (fat, dry matter, protein and so on)
- **Side parameter**
e.g. total lactic acid, lactose, nitrate, vitamins, freezing point
- **Organoleptic testing**
e.g. triangle test, ranking test
- **Bio-chemical testing**
e.g. determination of animal species
- **Safety parameters and adulterants**
e.g. residues, contaminants, allergens
- **and so on**

in many food stuffs and animal feed

more than 140 accredited PT's!

Product catalogue **microbiology**:

- **Food and feed**
- **Consumer goods in food contact**
e.g. films, paper/board, glass/canning/cans
- **Consumer goods in body contact**
e.g. cosmetic, tattoo ink, textiles
- **Water**
- **Disinfectant**
- **Medical devices**
